These meetings will provide a valuable platform for effective communication, collaboration, and the holistic development of our students.

Purpose of TPMs

- **Parent-Teacher Interaction:** To offer parents an opportunity to communicate with teachers, ask questions, and express concerns related to their child's education.
- **Goal Setting:** To set academic and personal goals for students and develop strategies for achieving them.
- **Parental Involvement:** To encourage parents to become actively involved in their child's education and school activities.
- **Feedback:** For teachers and parents to exchange feedback and ideas for continuous improvement in the educational process.

Homeroom teachers will be contacting the parents for a mutually convenient date & time to set-up the meeting **w.e.f. 16.06.2026**. We request you to kindly find some time from your busy schedule and provide us the opportunity to interact with you.
