

## CIRCULAR FOR PARENTS (Grades VI – XII)

### Subject: - Launch of The English Champ

Dear Parents,

Greetings!

The English Department of Royal Global School is delighted to introduce *The English Champ*, a fortnightly language enrichment initiative for students of Grades VI–XII.

As part of this programme, a specially designed handout titled *The English Champ* will be shared **every alternate Friday starting from 5<sup>th</sup> June 2026**, through the school WhatsApp groups and the School ERP. The handout will feature engaging exercises on:

- Spelling and vocabulary
- Idioms and phrases
- Communicative grammar
- Usage and expression
- General language skills

The answer key for each edition will be shared on the **following Friday**, giving students ample time to attempt the exercises independently.

We encourage all students to participate sincerely and complete the handouts regularly. Consistent engagement with *The English Champ* will help enhance vocabulary, strengthen grammar, improve spoken and written communication skills, and promote productive learning beyond the classroom.

Parents are requested to support and motivate their children to complete the exercises. We also warmly invite parents to participate in the activity with their wards. We recommend maintaining a file of all completed handouts and answer keys at home for future reference and revision.

Please note that **short class tests based on the content of The English Champ may be conducted periodically during substitution classes**. Students are therefore advised to complete each handout diligently and retain it for future use.

We look forward to your enthusiastic support in making *The English Champ* a rewarding and enjoyable learning experience for our students.

***"Read more. Learn more. Speak better. Become an English Champ!"***

Warm regards,

Dr. Arup Kr. Mukhopadhyay  
Director
