

**CIRCULAR FOR PARENTS
(SOF-OLYMPIAD: 2026-27)**

Dear Parents,

To build up the healthy spirit of competition Royal Global School has registered with Science Olympiad Foundation (SOF) for last ten academic years. This aims at preparing our students to face the toughest challenge in the course of their preparation towards building their career. SOF is an organization, working in the field of education that conducts the biggest Olympiad Exams. Each participating student gets a participating Certificate and a subject wise Performance Report, with a comparison sheet, that scales students across the city, state and country.

We invite the students to participate in such competitions towards an all-round development. Please find the consent form as attached herewith and submit it to your ward's **Class teacher** on **08/06/2026**.
