

CIRCULAR FOR PARENTS

(Mandatory Use of Seatbelts in School Buses)

Dear Parents,

The safety and well-being of our students remain our highest priority. In continuation of our ongoing efforts to ensure safe transportation for all students travelling by school buses, we request your cooperation in reinforcing the importance of fastening seatbelts during travel.

Parents are kindly advised to instruct their wards to:

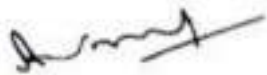

1. Fasten their seatbelts immediately upon boarding the school bus.
2. Keep their seatbelts securely fastened throughout the journey.
3. Follow all safety instructions given by bus attendants and transport staff.

Students must understand that the use of seatbelts is essential for their safety and can significantly reduce the risk of injury during unforeseen situations on the road.

We seek your support in educating and encouraging your child to develop this important safety habit. Together, we can ensure that every journey remains safe and secure for all.

Thank you for your cooperation.

Warm regards,

Dr. Arup K. Mukhopadhyay
Director
